Dear Clerk of Court:

I apologize for these circumstances. I do need immediate hospitalization. I'm writing this letter to find out where I began at, to file a medical complaint, in the U.S. Court against the Federal Bureau of Prisons at Beckley Inst. I have reported ill since Nov 1, 2006 to the Federal B.O.P. I finally received treatment related to my illness on March 21, 2012; however; I'm ill severely, and this treatment didn't eliminate my abdominal ailment. I have a bacterial parasite, existing in my abdomen that living on my digestive glands, that still today going untreated.

In Sincerity:

Narseal Batiste
